ANOTHER TRIBUTE TO THE SUPERIORITY

Wm. Knabe & C Piano Fortes.

WE are pleased to learn that at the great "World's Fair,"
held this month in the city of Macon, Georgia the enter
prising Baltimore Firm, Wm. Knake & Co., were awarded the
Kirst Premium over all competition, for their celebrated Gons
MEDAL Planca. This Fair being held under the direction of the
Southern Cotton Planters' Ass. ciation, a large and influentsal
body of men, 'he importance attached to receiving the honors
of their Fair, produced, as we learn, an unusual degree of competition on the part of many of the Planc Forte Manufacturers
of the country. Several very fine Instruments were on exhibithe country. Several very fine Instruments were on exhi-on; but after a most patient and thorough examination of the

Without wishing to appear inviduous, we will add that the an exprise, public spirit and untiring energy with which the Measur.

Enable conduct their business, entitle them in an eminent degree of all the honors and success which they have achieved in their line. Lavish in the expenditure of time and money to Produce inc. to all the nonors and success which they have achieved in their time. Lavish in the expenditure of time and money to Produce a First Quality Piano, and advertising extensively to make their establishment known, they have their reward in the possession of a large and constantly increasing business, and the further gratification of knowing that whenever and wherever competition is the order of the day, indges uniformly pronounce their Pianos to be "Excelsior:"—Baltimore Sun, of December 234, 1860.
